Proceedings of the Madras Government, Revenue Department;
13th May 1869.

No. 307. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 21st April 1869, No. 246 :—

1 Abstract estimate.
1 Comparative statement.

I HAVE the honor to forward, for the sanction of Government, a revised estimate, amounting to Rupees 15,760, for constructing the road from Juggannaikpooram to Covoor, accompanied by a comparative statement showing the difference between the original and revised estimates.

2. The excess, Rupees 1,540, is owing to the non-provision, in the original estimate, of cost of certain iron-works for an aqueduct, and to the increase of the rates for earth-work.

3. The question of providing funds for the road in question has been disposed of in my statement of Incomplete Works, submitted to Government on the 17th instant.

REFERRED to the Revenue Department, with reference to the Orders in that department, dated 22nd August 1867, No. 1,966.
