Proceedings of the Madras Government, Revenue Department,
18th May 1869.

No. 412. Read the following Proceedings of the Board of Revenue, dated 30th April 1869, No. 2,919:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 17th March 1869, No. 73.

I HAVE the honor to state that Kolai Chathu Nair, a landed proprietor of this talook, has intimated to me his intention to construct, at his own expense, two Chuttrums at Pudipady at the foot of the Tambracherry Ghaut, on the high road from Calicut by Tambracherry to Vythry and the Mysore frontier.

These Chuttrums will be a great public boon, as there is no accommodation at the foot of the Ghaut, or elsewhere in the vicinity, for the great number of travellers passing up and down.

I proposed building a Chuttrum as one of the most needed in the district from Local Funds at this place. The expenditure from Local Funds will now be unnecessary.

2. The Chuttrums are to be built on the opposite banks of a small poya or stream: one for caste people on the western bank; and the other for miscellaneous travellers, as, Thiers, Mahomedans, etc., on the eastern. Thus all classes will be conveniently provided for.

3. I beg to submit plans and estimates for the work, amounting to Rupees 1,762, and request early sanction thereto. The donor hopes to be able to carry out the work before the monsoon sets in.

I request also that, under the Chuttrum Rules, an annual maintenance grant of Rupees 60 to the two Chuttrums which may be looked on as one and the same institution, may be sanctioned from lands to be set apart for the purpose.

ENCLOSURES Nos. 1 and 2.—Plans.

ENCLOSURES Nos. 3 and 4.—Estimates.

CONSIDERING the limited accommodation which will be supplied by the Choultries, the Board cannot recommend the maximum grant.

2. They resolve to request Government to endow the institution with waste land, assessed at Rupees 50, as soon as it is in working order.

No. 413. ORDER THEREON, 18th May 1869, No. 1,382.

Land Revenue.

THE proposed Chuttrums do not provide the minimum extent of accommodation required in the standard plan, and are therefore not entitled, under the rules, to any endowment. But considering the peculiar character of the country where they are to be erected, the Government will not withhold their sanction from the grant of land, assessed at Rupees 50, as recommended by the Board, when the completion of the buildings is reported.
