Proceedings of the Madras Government, Revenue Department,
19th May 1869.

No. 457. Read the following letter from the Officiating Magistrate of the Kistna District, to the Chief Secretary to Government, Public Department, Fort Saint George, dated Masulipatam, 20th April 1869, No. 17:—

With reference to the Order of Government, No. 2,700, dated 15th November 1867, I have the honor to forward, for the orders of Government, copy of an application from the Vice-President of the Municipal Commission, Guntoor, regarding the two pieces of vacant ground proposed to be given for building purposes either by sale or otherwise.

2. The pieces of ground in question, marked A. and B. in the accompanying plan, are parts of the Grama Nuttum of the Town of Guntoor—sites where gravel has been excavated. They have hitherto been used by the people in the neighbourhood for resort for the purposes of nature. The extent of each of these blocks is given in the margin; they are the property of Government and vacant.

A. 1,230 square-yards = to more than ¼ of an acre.
B. 18,876 „ = to 4 acres nearly.

3. These two blocks were demarcated and surveyed as village-site.

4. The transfer of the blocks to the Municipal Commissioners produces no inconvenience to the public, and I therefore request the Government will be pleased to sanction the blocks being sold for building purposes in convenient lots at the rate of one Anna per square-yard, or assigned gratis on condition of filling up the pits as proposed by the Vice-President.

Transferred to the Revenue Department.

Read the following Report from the Collector of Kistna, dated 2nd April 1869, No. 17—

Letter from the Collector of Kistna, dated 2nd April 1869, No. 17—

Forwarding, for the orders of Government, a petition from the Municipal Commissioners of Guntoor, requesting that a piece of land, containing 2 acres 20 cents, may be granted to them for the purpose of building thereon a Municipal Office, Police Station, and Choultry for travellers.

The petitioners state that the land applied for is situated in the heart of the town, and is the property of Government.

The Collector reports that the land is not required for any public purpose, and that he has no objection to its being granted to the Municipality for the purpose specified.

The Board accordingly recommend that the land be granted to the Municipality for the purpose specified, free of assessment.
