*Proceedings of the Madras Government, Judicial Department, 11th2 May 1869.*

Read the following papers :—

No. 89. Proceedings of Government, Revenue Department.

Returning to the Board of Revenue the puttah for certain land assigned to the Honorable J. B. Norton with the seal of the Government attached thereto. } (Dated 10th July 1868, No. 1923).

Proceedings of the Board of Revenue, dated 5th April 1869.

No. 90. From the Collector of Salem, to the Acting Secretary to the Board of Revenue ; dated Salem, 9th September 1868, No. 217.

I have the honour to inform you that on the receipt of the Government Proceeding, Revenue Department, No. 1923, dated 10th July 1868, I forwarded the permanent puttah and plan to the District Registrar for the purpose of having the document registered before delivery to the owner, (Honorable J. B. Norton).

2. The enclosed is the answer that I have received from the District Registrar ; I shall feel obliged for instructions as to what I am to do in the matter. The plan is of the same scale as those ordinarily prepared by the Survey Department.

From the District Registrar, to the Collector of Salem ; dated Salem, 9th September 1868, No. 108.

With reference to your Official Memorandum, No. 798, of 2nd September 1868, forwarding to me permanent puttah in duplicate to be registered, I have the honour to state that the map appended to the puttah is not of the size prescribed in No. 136 of the rules under the Indian Registration Act, and, unless others of the proper size are furnished, the Deed cannot be accepted for registration.

Submitted to Government with the Board's recommendation that the plan attached to the Honorable Mr. Norton's Title Deed, which has already been sealed and returned with Government Order, dated 10th July 1868, No. 1923, be exempted from the operation of Rule 136 referred to by the Registrar.

2. As far as the Board remember, the plan is an old one, and drawn on a very large scale. The rule referred to prescribes 18 × 12 inches as the maximum size of a map or plan to be accepted for registration.

3. The Board will for the future see that this rule is invariably observed in the case of all Title Deeds submitted through them for the Government seal.

The foregoing papers will be forwarded to the Acting Registrar General of Assurances, who will report, for the information of Government, what is the object of Rule 136 of the "Rules for the registration of Assurances," and whether, in his opinion, there is any objection to the rule being modified so as to meet cases similar to that of the map or plan referred to in the correspondence above recorded.
