543. Read the following Despatch from the Right [illegible]rable the Secretary of State for India, (Revenue,) to His [illegible]ght Honorable the Governor in Council, dated [illegible]Office, London, 8th April 1869, No. 9:—

I HAVE considered in Council the Despatch from your Excellency in Council, numbered 3, and dated the 19th of February, with which you transmit reports on the Collectorates of Ganjam, Vizagapatam, and Godavery, in consequence of the failure of the north-east monsoon.

2. I am gratified to learn that no real scarceness of grain is anticipated, and approve your Proceedings.

3. With respect to the employment of Norton's Tube Wells, mentioned in your 3rd paragraph, I desire to be furnished with a report upon the use to which they have been put since they arrived at Madras, and the success which has attended them.

No. 544. ORDER THEREON, 22nd May 1869, No. 1,445.

Miscellaneous.

ORDERED that the foregoing Despatch, together with that to which it is a reply, be communicated to the Board of Revenue.

2. Adverting to paragraph 3 of the Despatch above recorded, it is observed that the report,* recently submitted by the Board on the experiments made with Norton's Tube Wells at the Government Farm, People's Park, and Penitentiary, was forwarded to the Secretary of State with Despatch, dated 29th April 1869, No. 19.
