Proceedings of the Madras Government, Public Works Department, 15th May 1869.

No. 356. Read the following letter from the Officiating Secretary to the Government of India, Public Works Department, (Account,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 26th April 1869, No. 316 A:—

I AM directed to acknowledge receipt of your communication, No. 949, dated 22nd March 1869, transmitting an extract from the Proceedings of the Government of Madras relating to the provision of funds to meet expenditure incurred on famine relief-works during 1868-69, and in reply to state that, as the year has closed, it is now too late to provide additional funds for this purpose as required. But any outlay, which may be shown by the annual accounts to have been properly incurred on this account, may be held to have been duly authorised by the orders quoted in the above Proceedings.

2. In order that this expenditure may be properly adjusted, I am to request that the Government of India, in this department, may be furnished, as early as possible, with a statement showing the several works which have been undertaken, or on which money has been expended for the relief of the distressed; and also the amount disbursed on account of each such work by the Officers of the Public Works and Civil Departments, respectively. The statement should indicate whether, in the opinion of the Government of Madras, any portion of the outlay thus incurred should be borne by Local Funds.
