No. 557. Read the following letter from the Assistant-Secretary to the Government of India, Financial Department, to the Secretary to the Government of Madras, Revenue Department, dated Simla, 11th May 1869, No. 436:—

WITH reference to the statement received with your letter, No. 478, dated 23rd February 1869, I am directed to observe that the quantities of Salt sold for Home and Inland consumption, as therein exhibited, do not agree with those entered in the annual Returns previously furnished, showing the quantity of Salt sold for Home and Inland consumption in each Maritime district under the Madras Presidency from 1853-54 to 1867-68. The discrepancies are shown in the accompanying statement, and I am to request that, with the permission of His Excellency the Governor in Council, you will be good enough to state which set of figures should be adopted.
