Proceedings of the Madras Government, Revenue Department,
***25th May* 1869.**

No. 587. Read the following Proceedings of the Board of Revenue, dated 12th May 1869, No. 3,220:—

Read the following letter from T. A. N. CHASE, Esq., Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 5th April 1869, No. 93.

With reference to the Board's Proceedings, No. 1,591, dated 9th March 1869, I have the honor to inform you that the holder of the garden at Kalwa states he is unable to pay the purchase-money in five annual instalments, and requests he may be allowed to extend the payments to a period of ten years, according to his original agreement.

2. It would be better to grant this request, for I doubt whether the gardens would fetch so much if put up to auction.

In the above letter, the Collector of Kurnool makes proposals regarding the realisation of purchase-money of a certain garden.

2. The garden, the assessment on which is Rupees 59½, was sold for Rupees 3,512-8-0, together with other gardens of the late Nawab of Kurnool; and the Collector in reporting on the sale recommended that the purchasers of that now in question at Kalwa and of another at Sirwell which was sold for Rupees 7,553-2-0, might be allowed the indulgence of paying the purchase-money in ten annual instalments.

3. The Board supported the recommendation so far as the garden at Sirwell was concerned, but considered that the purchaser of the garden at Kalwa should pay the price in five (instead of ten) annual instalments, as in the case of the garden at Panchalingula, referred to in the Board's Proceedings, 14th January 1867, No. 238, and the Government sanctioned the Board's proposals in Government Order, 15th February 1869, No. 389.

Rs.	A.	P.
4,092	3	0
3,512	8	0
579	11	0

4. In the case of the garden at Panchalingula, referred to as a precedent, the purchase-money was 4,092-3-0, or Rupees 579-11-0 more than that of the garden at Kalwa.

5. The Collector, however, now reports that the purchaser of the last mentioned garden states that he is unable to pay the price in five annual instalments, and requests that he may be allowed to do so in ten instalments. Mr. Chase is of opinion that it is advisable to grant this request, as it is doubtful whether the garden, if put up to auction, would fetch the price now payable by the present purchaser.

6. The Board resolve accordingly to request the sanction of Government to this concession.

No. 588. Order thereon, 25th May 1869, No. 1,467.
