G.O. No. 1513	Press Mis.
677-678	
Dated 31st May	1869

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department, 31st May 1869.

No. 677. Read the following Endorsement of the Inspector-General, Indian Medical Department, dated Fort Saint George, 25th May 1869, No. 210 :—

Read the following letter from the Apothecary in Medical Charge, Chetterpore, to the Deputy Inspector-General, Indian Medical Department, Presidency, dated Chetterpore, 11th May 1869, No. 75.

SINCE my last report on the Ganjam fever, I beg to state that the number of cases continues to show a downward tendency; two hundred and ten cases having come under treatment during the past month, compared with two hundred and thirty-two for the month previous.

2. The weather continues hot; wells and tanks growing short of water from want of rain; the evenings cloudy and over-cast, with little lightning, but the prevalence of a strong southerly wind soon disperses them to other parts of the district.

3. The works for the improvement of the town, up to this time held in abeyance from want of funds, has at last commenced; numbers of coolies being now employed in carrying out the sanctioned recommendations, *viz.*, drainage, the filling up of stagnant ponds, and digging and cleaning of all the tanks.

Weekly Report of fever-cases among the civil population of Ganjam, from Monday the 26th to Sunday the 2nd May 1869.
