Dated 31st May 1869

Not to be folded or roughly handled

No. 683. Read the following Proceedings of the Board of Revenue, dated 1st May 1869, No. 2,953 :—

Read the following letter from the Acting Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Gudewada, 6th April 1869, No. 85.

With reference to the Board's Proceedings, dated 9th ultimo, No. 1,592, communicating the Order of Government, dated 18th February 1869, No. 416, I have the honor to report that the number of Vetties at present employed in the village of Chintapally, in Crosoor Talook, is four. In the adjacent five villages noted in the margin there are 17 Vetties; the total extent of their Service Inam is A. 90, G. 37, bearing assessment of Rupees 112-8-5, or Rupees 1-3-10 per acre. The average extent enjoyed by each is A. 5, G. 37, assessed at Rupees 6-9-11, or Rupees 1-1-10 per acre. The rates of assessment on dry lands in the village of Chintapally is Rupees 1-8-3 per acre.

	A.	G.	Number of Vetties.
1. Chamurru, ...	25	16	6
2. Kollapally, ...	10	9	3
3. Poolichinta, ...	19	33	2
4. Koloor, ...	25	10	4
5. Tadavoy, ...	10	9	2
Total...	90	37	17
Average... ...	18	7½	

In his letter, dated 11th December 1868, No. 380, the Collector proposed to re-grant to the Vetties of Chintapally (who still perform the duties, but have no emolument whatever) acres 20·45, being the unoccupied remainder of the ancient Vetty Inam of acres 40·36 which was relinquished in Fusly 1264, and to supplement the grant by acres 19·91 from adjacent jungle waste, making it up to the full area of the ancient Inam.

2. With reference to Government Order, dated 18th February 1869, No. 416, it appears that there are four Vetties performing service, and that the average assessment on dry land in the village of Chintapally is Rupees 1-8-3 per acre. The proposed Inam therefore amounts to Rupees 15 per annum to each, and should be admitted.

No. 684. Order thereon, 31st May 1869, No. 1,516.

Miscellaneous.

The Board of Revenue in their Proceedings, dated 18th January 1869, No. 297, solicited the sanction of Government to the proposal of the Acting Sub-Collector in charge of the Kistna District to re-grant to the Vetties of Chintapally, in the talook of Crosoor, acres 20·45 of their original Inam of acres 40·36, which had been incorporated with the Government lands in Fusly 1265 for arrears of Bediga (quit-rent) which were available, and to add to this quantity from the waste lands acres 19·91, making in all acres 40·36; but the Government* considered 40 acres to be too large an extent of land to be granted as Inam for the performance of the menial offices of one village, and

* Order, dated 18th February 1869, No. 416.

requested information as to the number of Vetties at present employed, and the average extent of the Vetty Service Inams in the adjacent villages.

2. The Proceedings of the Board above recorded is their reply. They report that the number of Vetties employed in Chintapally is four, and that the average assessment on dry land in the village being Rupees 1-8-3 per acre, the assessment of the share of each in the Inam land amounts to Rupees 15 per annum. The average assessment on the similar Inam of each of the Vetties in the adjacent villages is stated to be only Rupees 6-9-11. The Government cannot therefore comply with the recommendation of the Collector and the Board to re-grant the full extent of land which was incorporated with the Government lands about thirteen years ago for default. They authorise, however, the assignment of acres 9·55 from the waste lands which, together with that portion of the old Inam land which is unoccupied, will make the extent of Inam 30 acres with a total assessment of Rupees 45-7-6. The assessment on the share of each Vetty will still be Rs. 11-5-10.
