No. 40. Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 22nd May 1869, No. 1,071:—

In February 1867 I submitted an Indent for stores, etc., in which was included fifty-nine Circumferentors (Major Barber's), of which a pattern was at the same time sent. In G. O., dated 2nd April, idem, No. 763, it was ordered that this Indent should be forwarded to the Secretary of State.

2. In the Proceedings of Government, 7th August, No. 1,815, some information, required by the Secretary of State for India, was called for, and furnished in letter recorded in Proceedings of Government, 16th October 1867, No. 2,423, accompanied by drawings to scale of the instrument and favorable reports from the Principal, Civil Engineering College, and from the Government Mathematical Instrument Maker. All of these Government ordered to be forwarded to the Secretary of State.

3. A Despatch from the Secretary of State, dated 24th January 1868, No. 6, sanctioned the supply of the Circumferentors indented for, which sanction was communicated in G. O., 7th March 1868, No. 605.

4. I have the honor to draw attention to the entry in the bi-monthly return of stores under provision in England, given in the G. O. noted marginally, under head causes of delay, *viz.*, "*as the pattern has yet to be finally decided on.*"

28th October 1868,	No.	2,735.
7th January 1869,	,,	37.
25th February ,,	,,	493.
16th April ,,	,,	1,049.

5. I beg respectfully to represent that unless these Circumferentors be speedily supplied, it will be necessary for me to indent emergently for five-inch Theodolites, a much more expensive class of instruments, for which the Barber's pattern Circumferentors were intended to be substituted.

No. 41. Order thereon, 2nd June 1869, No. 1,546.

Miscellaneous.

Ordered to be forwarded to the Secretary of State, who will be requested to issue orders for the speedy supply of the Circumferentors in question.
