No. 155. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Dowlaishweram, 3rd May 1869, No. 431.

In continuation of my letter of the 13th February 1869, No. 218, and with reference to G. O., No. 2312, dated 20th July 1868, I have the honour to forward, for the sanction of Government, plans and estimates, amounting to Rupees 8340, for the proposed Sub-Magistrate's Cutcherries at the stations marginally noted.

Two original plans.
Two proposed plans.
Two abstract estimates.
Two specifications.

| | Rs. |
|---|---|
| Cheepurpilly estimate ..... ..... | 3,640 |
| Saloor do. ..... | 4,700 |

2. I deem it necessary to bring to the notice of Government that lock-ups have been already sanctioned and built within the compound of the Sub-Magistrate's Cutcherries at these stations; these lock-ups were not shown by the Range Officer, Mr. Hamnett, in the original plans forwarded to the Subsidiary Jail Committee in January 1867, as their construction was authorized in June 1867.

3. As in the plans and estimates now forwarded lock-ups of different dimensions and on other sites have been provided in accordance with the recommendation of the Subsidiary Jail Committee, I am of opinion that the existing ones should be demolished, as they are too close to the main buildings.

4. The plans appear to have been prepared at the recommendation of the Subsidiary Jail Committee, but some minor alterations seem to be required as noted on them; these, however, can be attended to in executing the works should they now be approved of.

5. A sum of Rupees 1294 has been applied for in my statement of incomplete works, for expenditure on the Subsidiary Jail at Cheepurpilly, and I have to request that the requisite funds may be given with a view to the other work being put in hand at an early date.

---

Referred to the Judicial Department, with reference to the orders in that Department, No. 1092, of the 9th July 1868.

FORT SAINT GEORGE,

No. 156. ORDER THEREON, 26th May 1869, No. 890.

His Excellency the Governor in Council sanctions the plans and estimates, the latter amounting to Rupees 8340, for Subsidiary Jails, with out-offices, proposed to be erected at Cheepurpilly and Saloor in the Vizagapatam district.

2. The lock-ups referred to in paragraphs 2 and 3 of the Superintending Engineer's letter should, if they are, as represented, "too close to the main buildings," be removed. The sites of the lock-ups should have been indicated in the new plans.

3. It is observed that funds have already been applied for by the Superintending Engineer.
