Proceedings of the Madras Government, Revenue Department
30th June 1870.

Read again Board's Proceedings, dated 4th March 1870, No. 1,545, and recorded in Proceedings of Government, dated 13th April 1870, No. 525.

No. 430. Read also the following letter from the Inspector-General of Police, Madras, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 2nd May 1870, No. 2,601 :—

I HAVE the honour to return the plans and estimates forwarded with Order of Government, No. 525, of the 13th April 1870.

2. The plans are the Standard Plans approved by Government, and upon which similar buildings have already been constructed at Jails and elsewhere. The buildings are certainly rather expensive, but it is probably cheaper in the long run to provide substantial accommodation, if well constructed by the Public Works Department, than to erect flimsier buildings at a lower cost, which are liable to constant deterioration and need constant repairs.

3. The cost of the huts (Rupees 230 each) does not appear to be more than is ordinarily paid for similar huts built of brick with tiled roofs elsewhere. I observe from the Proceedings of Government in the Judicial Department, dated

9th July 1868, that in the estimates
G. O., No. 1,090. for similar buildings to be constructed
in the adjacent district of Madura,

the cost of the Constables' huts came to nearly the same figure as in the present estimate (about Rupees 223 per hut), whereas the estimated cost of the European Head Constable's hut was only Rupees 1,050, or Rupees 540 less than the present estimate. As I conclude the plans were the same, the Superintending Engineer might perhaps be able to explain the large difference of cost.

No. 431. ORDER THEREON, 30th June 1870, No. 1,004.

Miscellaneous.

THE Right Honourable the Governor in Council is pleased to declare that the road leading into the French territory from Tranquebar by the Nundalar Chowky shall be a route under Section 12 of Act VI. of 1844. The Board of Revenue will be requested to submit draft of the Notification to be published in the *Fort Saint George Gazette* on the subject.

2. The estimate for constructing fourteen huts for Constables stationed round the Karrikal frontier of the Tanjore District, amounting to Rupees 3,220, is approved. Orders will be issued from the Public Works Department for the provision of funds.

3. Before sanctioning the estimate for the Head European Constable's hut, the Government resolve to call upon the Superintending Engineer of the 6th

*Proceedings of the Madras Government, Revenue Department,
30th June 1870.*

Division, through the Public Works Department, to explain the increase of Rupees 540 alluded to in the concluding part of the letter from the Inspector-General of Police above recorded.
