*Proceedings of the Madras Government, Revenue Department,
8th July 1870.*

No. 14. Read the following Endorsement of the Chief Secretary to Government, Fort Saint George, dated 21st May 1870 :—

Read the following letter from the Officiating Magistrate of Madura, to the Chief Secretary to Government, Madras, dated 14th May 1870, No. 167.

With reference to Petition marginally noted and herewith returned, I have the honour to report that Mr. Burby, Sea Customs Superintendent at Paumben, still continues to exercise Magisterial jurisdiction, no order to the contrary having been received. I would strongly recommend that he be allowed to continue to do so, as the services of a Sub-Magistrate at Paumben are decidedly necessary.

2. I take this opportunity to ask whether the intention of Government in authorizing the Accountant-General to withdraw the retrenchment of Mr. Burby's salary, which had been ordered by that officer, but declining to sanction any increase of expenditure, was to permit Mr. Burby and his establishment to draw the same pay as they drew up to the date of the retrenchment, the increase not sanctioned being that recommended by the Board of Mr. Burby's salary to Rupees 100 per mensem; or whether it was to restrict the pay of Mr. Burby and his establishment to that sanctioned for the Sea Customs Department in Mr. Pelly's scheme. I think myself that there can be no doubt that the intention of Government was to leave things on the same footing as they were up to the date of the retrenchment; but as doubts have been raised, I should be glad to have the point cleared up.

3. My remarks in the preceding paragraph apply only to the Magisterial establishment which was as follows :—
