*Proceedings of the Madras Government, Revenue Department,
11th July 1870.*

No. 29. Read the following Endorsement of the Chief Secretary to Government,
Fort Saint George:—

Read the following letter from the Comptroller-General of Accounts, for Financial
Secretary to the Government of India, to the Chief Secretary to the
Government of Madras, dated Fort William, 28th June 1870, No. 2,780.

In returning the accompanying Statement of Exports (No. 11-2) for the Madras
Presidency for March 1870, I am directed to draw your attention to the Statement
of quantity and value of "oil, vegetable, but not essential," entered therein on
page 5 against the United Kingdom, and to inquire whether these entries are
correct. From the large disproportion that appears between the value per gallon
of the above-mentioned article as entered against the United Kingdom and that
against the other countries specified, the figures for the latter representing the
average price of the article, it is presumed that either the quantity or the value
entered against the United Kingdom is incorrect. I am, therefore, to request that
you will be good enough to cause the Statement to be revised and returned to this
department with as little delay as possible.

COMMUNICATED for disposal to the Revenue Department.

Chief Secretary.
