No. 41. Read the following Proceedings of the Board of Revenue, dated 24th May 1870, No. 3,595:—

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated on circuit at Nundial, 16th March 1870, No. 88.

I HAVE the honour, as requested in the Proceedings of the Board of Revenue, No. 142, dated 11th January 1869, to forward the accompanying plan and estimate for the enlargement of the Collector's Cutcherry.

2. The total cost for making the additions is estimated at Rupees 25,300, and I request that the Board will be pleased to take early steps to obtain the sanction of Government who sanctioned an

ENCLOSURES Nos. 1 and 2.—Plans.

ENCLOSURE No. 3.—Estimate.

ENCLOSURE No. 4.—Report.

THE plan and estimate for enlarging the Collector's Cutcherry at Kurnool at a cost of Rupees 25,300 will be submitted to Government with reference to Government Order, 29th June 1866, No. 1,594.

2. The improvements seem to be expensive, and the accommodation which they provide seems to the Board inconveniently distributed, but it is desirable that the work should be carried out as soon as funds are available.

No. 42. ORDER THEREON, 11th July 1870, No. 1,029.

Miscellaneous.

THE Board of Revenue submit an estimate for the enlargement of the Collector's Cutcherry at Kurnool, amounting to the large sum of Rupees 25,300, with reference to Government Order, 29th June 1866, No. 1,594. They remark that "the improvements seem to be expensive, and the accommodation which they provide inconveniently distributed," and, nevertheless, recommend "that the work should be carried out as soon as funds are available."

2. The Order of Government referred to by the Board directed the preparation of plans and estimates for a new office. The Acting Collector described the Cutcherry as being "very like what a good Talook Cutcherry is in the Southern Districts," and added that the accommodation it afforded was wholly insufficient.

To Board, dated 1st May 1866, No. 95.

*Proceedings of the Madras Government, Revenue Department,
11th July 1870.*

3. A similar proposal to make additions and alterations to the Collector's Office at Coimbatore was declined on the grounds that, notwithstanding the multiplication of detached buildings for the several departments of the Collector's Office, which is an objectionable arrangement, the probable cost of the new buildings and improvements amounted to Rupees 15,000, and that both the Collector and Acting Collector considered any suitable alteration of the present building impossible. The Government therefore directed that an entirely new building should be constructed, and that the necessary designs and estimates should be prepared for consideration.

4. Under these circumstances the Government must decline to sanction the estimate now before them, and direct that the course ordered in the case of Coimbatore Collector's Cutcherry be followed in that of the Kurnool Collector's Office.
