REVENUE DEPARTMENT,
OOTACAMUND,
12th July 1870.

No. 62.

No. 1,041.

To

THE CHIEF COMMISSIONER FOR THE GOVERNMENT OF THE
TERRITORIES OF HIS HIGHNESS THE MAHARAJAH OF MYSORE.

Forests, No. 3.

SIR,—Adverting to your Officiating Secretary's letter, dated 8th February 1870, No. 5,518-36-R., on the subject of a depôt at the Town of Mysore for the joint sale of timber grown in the Madras Territory and in that of His Highness the Maharajah, I am directed to forward, for your consideration, the marginally noted enclosures, in which the officers of the Madras Forest Department express their views on the question.

2. The Madras Government, after reading these letters and giving the subject due deliberation, are of opinion that it would be almost impossible to secure for any length of time the harmonious working of two departments in a joint depôt, and they do not consider that the plan proposed by the Conservator of Forests, Mysore, would preserve the interests of both departments evenly balanced.

3. The Government are, however, fully sensible of the advantage which would accrue to this Presidency, both in regard to an increased sale of timber and the prevention of frauds similar to that of Overseer Turnbull's, if the Madras Forest Department possessed a depôt for the sale of timber in or in the immediate neighbourhood of the Town of Mysore.

4. I am therefore directed by His Excellency the Governor in Council to request that you will be pleased to state whether there is any objection to the purchase or rent by the Madras Government of a small site in the above-named locality for the purpose of a depôt for the sale of Wynaad timber on account of the Madras Forest Department, which would be kept up under their exclusive management.

I have the honour to be,

Sir,

Your most obedient Servant,

(Signed) R. A. DALYELL.

Acting Secretary to Government.
