*Proceedings of the Madras Government, Revenue Department,
13th July 1870.*

No. 85. Read the following letter from the Accountant-General, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 16th June 1870, No. 81:—

With reference to the Proceedings of Government in the Revenue Department, No. 835, dated the 7th instant, I have the honour to state that it is not probable that there will be any savings in the current year's Grant under "16, Minor Departments," to meet the sum of Rupees 858-12-4 on account of the Quinologist's Department to which the charge is debitable.

2. I beg at the same time to suggest that if the proposed charge cannot be put off, the only way of meeting it will be to effect a corresponding reduction of expenditure under the same head of Grant, and the only charge under it which is susceptible of such a reduction is, in my opinion, the working charges and other contingencies of the Cinchona plantations at Ootacamund.

No. 86. ORDER THEREON, 13th July 1870, No. 1,052.

Miscellaneous.

THE Commissioner of the Neilgherries, in communication with the Accountant-General, will arrange for

the debit of the charge in question (Rupees 858-12-4) in the current year's Budget, if possible under the head referred to by the Accountant-General in paragraph 2 of his letter.
