No. 128. Read the following Proceedings of the Board of Revenue, dated 17th June 1870, No. 4,215 :—

Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to the Board of Revenue, dated Chepauk, 20th May 1870, No. 1,278-45.

In their Proceedings, dated 26th February 1869, No. 1,291, the Board of Revenue approved of my proposal to send to the Barrack Master for sale, by public auction, all unserviceable Surveying and Mathematical instruments of the Revenue Survey Department.

2. Agreeably to the order, the first batch of unserviceable instruments were received and acknowledged by the Barrack Master in Memorandum, No. 205 of 5th May 1870.

No. 2,331, of the 9th March 1870, but the second was returned with an intimation that the articles do not come under the head of office-furniture, and are therefore prohibited from being sold by public auction. Mr. Lissenburg, it would appear from his letter, is under the impression that the Proceedings of the Board of Revenue should have been communicated to him by Government through the Military Department.

3. In a subsequent letter I am informed that by paragraph 7 of Government Order, No. 1,092, of the 21st April 1870, Military Department, the Civil buildings at the Presidency have been handed over to the Department of Public Works, and the Barrack Master is allowed only one Writer, and that therefore he is unable to receive the articles to be disposed of by sale.

4. I have the honour to request either that I may be favoured with instructions for the disposal of the instruments, or that the sanction of Government may be obtained for the Barrack Master to receive the remaining unserviceable articles for sale by auction.

THE Board resolve to refer to Government for orders as to how the unserviceable instruments referred to by Colonel Priestley are to be disposed of, now that the status of the Barrack Master is changed.

No. 129. ORDER THEREON, 14th July 1870, No. 1,074.

Miscellaneous.

THE Superintendent of Revenue Survey can arrange for the sale of the instruments by one of the known shopkeepers of Madras.
