Proceedings of the Madras Government, Public Works Department, 15th June 1870.

No. 205. Read the following letter from the Officiating Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 20th May 1870, No. 244 A.-G.:—

I AM directed to acknowledge receipt on the 9th May 1870 of your application, No. 919-A., dated 31st March 1870, and, in reply, to inform you that the official year 1869-70 having closed, the rules preclude the re-appropriation of Budget Credits required for that year being sanctioned. Any outlay that may have been incurred in anticipation of these re-appropriations will be considered in connection with the appropriation account of the year, but I am to ask that explanation may be furnished of the necessity for an assignment of Rupees one lac under the head "Repairs, Tinnevelly," and of the reasons rendering an increase of Rupees 1,37,000 to the grant for Establishment and Tools and Plant necessary.

2. With reference to the proposed grants as per margin for the construction of quarters for the Superintendent of the Central Jail at Salem, and for the Superintendent of the Model Farm at Sydapet, I am to inquire whether it is intended that these officials should pay rent for the quarters thus provided for. I am also to inquire why an allotment of Rupees 5,924 is provided from Imperial funds for the Perryaur Ghaut road which appears to have been hitherto treated as a Local fund work.
