*Proceedings of the Madras Government, Revenue Department,
16th July 1870.*

No. 171. Read the following Proceedings of the Board of Revenue, dated 1st July 1870, No. 4,620:—

Read the following letter from the Acting Superintendent of Stamps, to the Acting Secretary to the Board of Revenue, dated 13th June 1870, No. 1,623.

As the period for which the temporary establishment for this office, specified

in the margin, was sanctioned in Government Order, Revenue Department, 26th January last, and communicated in Board's Proceedings, 31st idem, No. 697, will expire at the end of next month, I beg that the Board will have the goodness to obtain the sanction of Government for the continuance of the

temporary establishment for a further period of six months.

2. This establishment was required chiefly in consequence of the very large number of different values of stamped papers, and, in a slight degree, of the necessity for increasing the quantity of stamped papers daily prepared. The first cause has necessitated a further increase, sanctioned in Government Order, Revenue Department, 7th instant, No. 840, communicated in Board's Proceedings, 9th idem. As regards the second cause, it does not appear advisable to make any reduction yet in the quantity of stamped papers daily prepared. It will be manifest therefore that the establishment sanctioned in January is still necessary. On the other hand, with the prospect of having hereafter for the Judicial Stamps only fourteen values of Adhesive and five values of Impressed Stamps, it would be unwise to make the establishment in question, or any portion of it, permanent.

3. The existing temporary establishments of his office are maintained under

the three different orders specified in the margin. To save the time involved in making and disposing of frequent representations upon one subject, I beg to propose that these establishments be consolidated and the continuance of the whole, aggregating Rupees 331 per mensem, sanctioned until the end of January 1871, with the understanding that any reduction which may be found practicable meanwhile be at once made, and that the subject be brought by this office under the consideration of the Board in the preceding month, viz., December next.

SUBMITTED for the orders of Government.

2. The Board support the Superintendent's proposal that the temporary establishments to which he refers should be continued till the 31st January 1871, subject, however, to a report in October.
