Proceedings of the Madras Government, Revenue Department, 29th July 1870.

No. 240. Read the following letter from the Acting Director of Revenue Settlement, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 8th July 1870, No. 952-26:—

Mr. Cox, the Deputy-Director of Revenue Settlement, who is now engaged upon the demarcation of the Muddanpally Talook in Cuddapah, has represented to me that there are some boundary disputes between our ryots and those of the neighbouring Mysore Territory, which require to be settled; and has, moreover, suggested that a proper officer may be deputed by the Mysore Government to protect the interests of that Province.

2. I annex a List of the Muddanpally Talook villages which are situated on the Mysore frontier: they are fourteen in number, and in eight of these it appears that boundary disputes already exist, although it is not improbable that similar slight complications may spring up when finally marking the limits for demarcation. I have therefore the honour to request Government will move the Mysore Administration to depute some suitable officer for the settlement of these disputes in communication with the Deputy-Director Mr. Cox.
