*Proceedings of the Madras Government Revenue Department,
3rd August 1870.*

Read the following papers :—

No. 26. Proceedings of the Board of Revenue, dated 2nd July 1870, No. 4,672.
Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated on circuit at Gurramcondah, 20th June 1870, No. 114.

I HAVE the honor to subjoin correspondence between this office and the Superintendent of Stamps, and, there being no provision for the purpose in the Budget, to request sanction to entertain a hand at Rupees 8 per mensem for three months to stamp the words "Court Fees" on 1,43,384 Stamp-papers, and also to purchase $1\frac{1}{2}$ pounds of red ink.

ENCLOSURE No. 1.

From the Acting Superintendent of Stamps, to the Collector of Cuddapah, dated 23rd April 1870, No. 1,192.

IN accordance with the orders of Government, I forward to your address, by banghy, a Hand-stamp, in order that you may have printed on the Adhesive Court Fees Stamps, forwarded with my letter, dated 24th December last, No. 2,621, and on the impressed Stamps (red and black bicolour) to be used under the Court Fees' Act, the words "Court Fees." A 2-Anna Adhesive Court Fees Stamp with the words "Court Fees" printed across is affixed to this letter as a sample, of which a receipt is requested.

2. With reference to the Deputy-Collector's letter, dated 7th instant, No. 23, I send with the Hand-stamp two pounds of red ink. Please arrange for obtaining future supplies of ink from other sources.

From the Deputy-Collector, in charge of Treasury, Cuddapah, to the Acting Superintendent of Stamps, dated 6th June 1870, No. 167.

ADVERTING to your letter, No. 1,192, of the 29th April last, I have the honour to request you will let me know whether the cost of having the judicial stamped papers, 1,43,384 in number, printed across with the words "Court Fees" can be met from the "Stamp Contingencies."

2. The probable cost for employing a hand on 8 Rupees a-month for three months will be about Rupees 24, calculating that he can print 2,000 papers a-day with the aid of the attenders in removing the papers, etc., as printed.

3. Further, a pound and-a-half of red letter-press-printing ink is required to complete the work on hand, to purchase which from Madras market I have no funds at my disposal, and will therefore feel obliged if you can kindly send me the quantity.

From the Acting Superintendent of Stamps, to the Deputy-Collector, in charge of Treasury, Cuddapah, dated Madras, 10th June 1870, No. 1,607.

IN reply to your letter, dated 7th instant, No. 167, I beg to state that it appears to me that the question should be considered by the Collector and referred by him, if necessary, to the Board of Revenue. With regard to sending you any more red ink, I sent a small quantity in the first instance, in order that there might be no delay in bringing the Hand-stamp into use, but I do not think myself authorized to make any further supplies of such articles.

THE Collector's application to be allowed to entertain a man at Rupees 8 a-month for three months to stamp 1,43,384 Stamps with the words "Court Fees" will be submitted for the sanction of Government.

*Proceedings of the Madras Government, Revenue Department,
3rd August 1870.*

2. The purchase of the necessary quantity of red ink is hereby authorized.
3. The number of Stamps which the Collector expects to be stamped in a day seems too small. It should increase as the stamper gains experience.

No. 27. Official Memorandum from the Acting Secretary to the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 22nd July 1870, No. 727.
The Acting Secretary to Government, Revenue Department, is informed with reference to his Memorandum, dated 15th July 1870, No. 135, that the charge in question can be met from the provision of Rupees 50 under "Stamp Contingencies" in the Budget of 1870-71.
