*Proceedings of the Madras Government, Revenue Department,
3rd August 1870.*

No. 37. Read the following Proceedings of the Board of Revenue, dated 10th June 1870, No. 4,051 :—

Read the following letter from the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 13th May 1870.

ADVERTING to Board's Endorsement, dated 21st March last, No. 17, I have the honour to submit the report called for by Government in their Order, dated 14th February 1870, No. 3,101, respecting the petition of one Subbaraya Pillay, the late Curnum of Coomarapolliem in the Perambaloor Talook.

2. In the year 1806-07 the ryots of the village of Coomarapolliem presented petitions to the Deputy-Collector on general duties at Arealoor, charging the petitioner, the Curnum of the village, with having concealed certain cultivation and having practised other frauds. The petitions were referred to the Tahsildar, who made a thorough inquiry into the matter, had the village in question examined by a Revenue Inspector, and ascertained that the petitioner, the Curnum, had failed to bring to account about 100 acres of land which had been cultivated in Fuslies 1274, 1275, and 1276, thereby entailing a loss of revenue to Government, amounting in the aggregate to Rupees 304-6-0. As the petitioner, however, questioned the correctness of the accounts furnished by the Revenue Inspector, the Tahsildar personally inspected the village, satisfied himself on the point, and made a full report to the Deputy-Collector, and that officer dismissed the petitioner for defrauding Government and for having been very irregular in the discharge of his duties. The order of dismissal appears to have been afterwards confirmed on appeal by the then Acting Collector Mr. Longley.

3. The only plea set up by the petitioner is that the complaint is the result of the enmity that had long existed between himself and the villagers but the charges were fully proved against the petitioner, and his dismissal therefore appears to have been well recorded.

4. The records of the case, it may also be remarked, show that the petitioner had caused fraudulent entries to be made at the time of the settlement, and that a large tract of land which was actually under cultivation was written off by him in the Registers as waste and poramboke.

ENCLOSURE No. 1.—Petition.

SUBMITTED to Government, with reference to their Endorsement No. 3,101 of the 14th of February last.

2. It will be observed that petitioner had failed to bring to account about 100 acres of land for three years, and so caused a loss of Rupees 304-6-0 to the revenue.

3. He appears to have further falsified the accounts by entering other cultivated land as waste.

4. His plea of enmity on the part of the Revenue Inspector is immaterial, as it appears that the Tahsildar himself inspected the village.
