Read the following letter from the Collector of Godavery, to the Acting Secretary to the Board of Revenue, dated Cocanada, 5th January 1870, No. 4.

I HAVE the honour to report, for the information of the Board, that a slight shock of an earthquake was felt in this district on 19th ultimo about noon. It was accompanied by a loud rumbling noise. I have received reports regarding it from the Tahsildar of Ramachendrapur and Sub-Magistrate of Pittapur.

2. It was felt here by several of the residents. I was myself in Rajahmundry on that day, and was not myself conscious of it, though I am informed it was felt in that station. The day then was muggy, very close and hot in the forenoon with little wind and threatening of rain, which fell copiously for two hours on the night of 20th ultimo.

SUBMITTED for the information of Government.
