No. 179. ORDER THEREON, 10th August 1870, No. 1,223.

Miscellaneous.

THE Government observe that in the Proceedings in the Revenue Department, under date 7th June 1866, No. 1,365, the Barrack Master was directed to take charge of the Chopauk compound and the conservancy arrangements for the Government Establishments therein situated, and in the G. O., dated 16th June 1866, No. 1,481, sanction was accorded to the establishment noted in the margin.

2. The duties of the Barrack Master in connection with Civil buildings were transferred to the Executive Engineer in the Proceedings under date 21st April 1870, No. 1,092, Military Department, and as it is presumed that the charge for the Scavenger's Establishment above adverted to was provided for in the Barrack Master's estimate, the Accountant-General will now be directed to transfer the amount of this provision to the Public Works-Department.

As the Chequers Compound
contains several Offices, perhaps
it will be best that the P.W.D.
should have charge of it, unless
the Govt should prefer to
give it over to the Board.
