*Proceedings of the Madras Government, Revenue Department,
15th August 1870.*

No. 247. Read the following Proceedings of the Board of Revenue, dated 22nd June 1870, No. 4,308:—

Read the following letter from the Honorary Secretary Government Experimental Farm, to the Acting Secretary to the Board of Revenue, dated 14th May 1870, No. 20.

With reference to the Proceedings of the Board of Revenue of the 25th April 1870, No. 2,761, calling for remarks on the reports of processes for husking and cleaning Rice, I am desired by the Committee of the Government Experimental Farm to state that they have no practical experience of the subject, and do not consider themselves competent to make any remarks thereon.

2. The Rice-hulling Machine at the Farm has not yet been put into working order, and it is, moreover, only able to husk the rice as described in the first paragraph of the letter from H. B. M.'s Consul for the United States, of December 6th, 1869.

SUBMITTED for the information of Government, in continuation of Board's Proceedings, No. 3,326, of 16th May 1870. A simple Rice-huller is still a *desideratum*.

No. 248. ORDER THEREON, 15th August 1870, No. 1,256.

Miscellaneous.

RECORDED

2. The Board might place themselves in communication with the Board of Revenue in Bengal, with a view to ascertaining whether any superior description of Rice-hulling Machine is in use there. The machine at the Farm should be tried as soon as practicable.
