Proceedings of the Madras Government, Revenue Department,
19th August 1870.

No. 328. Read the following Proceedings of the Board of Revenue, dated 11th July 1870, No. 4,810 :—

Read the following letter from the Acting Sub-Collector, in charge of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 14th June 1870, No. 142.

With reference to Board's Proceedings, No. 3,560, dated 24th May 1870, I have the honour to enclose a Statement showing the distance of the 21 villages in question from Coimbatore (the Tahsildar's station) and from Matoopolliam which is the station of the Deputy-Tahsildar. From this Statement it will be seen that, whereas the greatest distance of any one of these villages from Matoopolliam is 6 miles, 19 miles is the shortest distance between any one of them and Coimbatore; the transfer was therefore effected in order to accommodate the villagers and to expedite the transaction of public business, and for no other reason.

2. With reference to the 2nd paragraph of the Proceedings under reply, I have the honour to state that in 1865 a similar transfer of villages from the jurisdiction of the Pulladom Tahsildar to that of the Deputy-Tahsildar of Avenashy was made by the Collector. When the circumstance came to the notice of the Board,* doubts were expressed as to its

* Proceedings, 26th January 1869, No. 498. legality, and it was suggested that the arrangement should be ratified by Government; but it will be seen on reference to the Government Order noted in the margin that Government accepted the

transfer as a fact without either questioning its legality or formally ratifying it. Hence, it was supposed that the sanction of Government was not necessary, but G. O., 21st April 1870, No. 545, now leaves no room for doubt on that subject; and I have the honour to request that the requisite sanction may be obtained to the transfer of the 21 villages named in the enclosed Statement from the jurisdiction of the Tahsildar to that of the Deputy-Tahsildar.
