*Proceedings of the Madras Government, Revenue Department,

No. 361. Read the following Endorsement of the Deputy-Inspector-General, Indian Medical Department, Presidency and Northern District, for Inspector-General, Indian Medical Department, dated Fort Saint George, 19th August 1870, No. 201:—

Read the following letter from Apothecary R. HUFFTON, in Medical charge, Chetterpore, to the Deputy-Inspector-General, Indian Medical Department, Presidency and Northern District, Madras, dated Chetterpore, 4th August 1870, No. 43.

I BEG respectfully to report that the fever in the town of Ganjam and adjoining villages for the past month shows a very small increase over that of the month preceding it, 164 being the total number treated against 160 in the month of June.

2. The weather has been variable, generally cloudy, with frequent light showers. The rain-fall during the month has been a little over five inches for the town of Ganjam, and very nearly that quantity for Chetterpore.

3. I regret to state that fever has been on the increase at the latter station, particularly among the Police during the above period.

Weekly Report of Fever-cases among the Civil population of Ganjam, from Monday the 25th to Sunday the 31st July 1870.
