No. 266. Read the following letter from W. ROBINSON, Esq., C. S. I., Acting First Member, in charge of the Inam Department, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 6th January 1870, No. 2 :—

I HAVE the honour to request that the Government will be pleased to extend their Order, dated 30th November 1869, No. 3,077, over the months of January and February 1870.

2. During the months of November and December I entertained some extra Clerks at a cost of Rupees 1,400, which has enabled me to get through a large amount of work in the Office as shown in the margin.

3. The out-door work in the districts of Madras and North Arcot, where the arrear was large, has been completed. The Tahsildars, to whom the settlement was entrusted, have performed the work with a degree of earnestness and rapidity which is both surprising and highly creditable to them. I would specially notice the Tahsildars of Sydapet and Ponnery. These talooks had not been taken up by the Deputy-Collector, and the entire settlement has been made by the talook officers. The work in the district of Madras was only commenced on the 6th November, while that in the district of North Arcot was not taken up till after the 15th of that month. The number of cases recorded and decided by each of the Tahsildars is shown in the margin, and I am happy to add that few, if any, appeals against the decisions of the officers have been preferred.
