Proceedings of the Madras Government, Revenue Department, 26th August 1870.

Read the following papers:—

No. 393. Proceedings of the Board of Revenue, dated 3rd August 1870.

Read the following letter from the Acting Superintendent of Stamps, Madras, to the Acting Secretary to the Board of Revenue, dated 2nd August 1870, No. 2,264.

I HAVE the honour to forward copy of a letter from the Deputy-Accountant-General, dated 1st instant, No. 2,630, stating that the difference between my pay as Registrar of Assurances and the allowances drawn as Acting Superintendent of Stamps* has been disallowed for want of the sanction of Government to the payment of deputation allowance to the officers acting during the absence of the Honourable V. Ramiengar on three months' privilege leave, and to request that the Board will have the goodness to obtain the required sanction.

	Rs.
* Half salary as Registrar	250
Deputation allowance as Acting Superintendent of Stamps...	500
Total...	750

2. The Rules noted in the margin contemplate the payment of deputation allowance during absence on privilege leave even when it is attended with additional expense.

Financial Notification by Government of India, 29th September 1868, No. 2,703, in *Fort Saint George Gazette*, 20th October 1868, page 616.
Financial Resolution by Government of India, 5th November 1868, No. 3,478, in *Fort Saint George Gazette*, 24th idem, page 830.

3. The rate of deputation allowance fixed by the Resolution of the Government of India, dated 6th January† 1869, viz., 20 per cent. upon the monthly salary of appointment officiated in, would reduce the allowances I have drawn as Acting Superintendent of Stamps by 50 Rupees per mensem‡; but as it was notified by the Government of India in 15th March§ 1869, that that Resolution was not intended to reduce allowances which were being drawn at the time of its promulgation under rules previously in force, I trust that the sanction granted upon the application in the first paragraph of this letter will include the continuance to me of the allowances I have hitherto drawn, since November 1868, as Acting Superintendent of Stamps.

IN forwarding a Cheque for Rupees 485-15-0, states that the difference between your own pay as Registrar and the allowances drawn as Acting Superintendent of Stamps has been disallowed by this office for want of the sanction of Government to the payment of deputation allowance to the officers acting in the arrangement of the Honourable V. Ramiengar during his absence on three months' privilege leave, as he draws his full pay during that period, and there is nothing available out of his salary.

No. 394. Memorandum from the Accountant-General, Madras, to the Acting Secretary to Government, Revenue Department, dated Fort Saint George, 10th August 1870, No. 977.

THE undersigned has the honour to state, that as Rupees 2,000 have already been spent out of the sum of Rupees 2,400 provided in the current year's Budget on account of the Acting Superintendent's deputation allowance, leaving only Rupees 400 against an expected expenditure of Rupees 1,500, the sanction of Government is required to enable this office to admit Mr. Ferrand's claim to deputation allowance as Acting Superintendent of Stamps during the absence of the Honourable V. Ramiengar on three months' privilege leave.
