From Land Letter *for* Masulipatam Circuit, *dated* 17th August 1870, No. 237—219.

—Statement of other land proposed to be given in lieu of its resumption.

The land entered in column 8 was taken for widening the Nizampatam canal. The fresh grant proposed as entered in column 11 is situated in the village of Ippatam, which is situated at a distance of one mile from these Agraharam villages. It forms a portion of a demarcated waste land No. 159, consisting of acres 57·38. This is an immemorial waste, and was never cultivated hitherto, nor was any detailed survey of the same ever made. The rate of assessment on this waste is 14 Annas per acre according to the prevailing adjoining rates of similar lands. It is sandy soil. The value of the fresh assignment is equal to that of the land lost to the Inamdar. I therefore request the sanction of the Board for the fresh grant.

The Inamdar claims compensation from Fusly 1275 on account of the loss of produce; it amounts to Rupees 48-2-10, as detailed in the enclosed copy of a letter from the Acting Sub-Collector. It was not paid by the Department of Public Works. Sanction is also requested for the payment of the same.

ENCLOSURE No. 1.

From the Acting Sub-Collector, to the Acting Sub-Collector, in charge of the Kistna District, dated Masulipatam, 28th April 1870, No. 129.

I HAVE the honour to transmit herewith an arzi from the Tahsildar of Guntoor, No. 226, dated 6th instant, with its enclosures.

2. You will observe therefrom that a portion of land, measuring acres 4·32 as per margin, forming the share of the Inam of Nallacheruvu Rama Boyemmah in the Agraharam villages of Vaddeswaram and Kunchanapally in the Guntoor Talook, was taken up for the Nizampatam channel in Fusly 1274.

3. The Inamdar claims compensation for the loss hitherto suffered by her and land in exchange, as per enclosed statement received from the Tahsildar, which shows that the 33 Cents of land in Kunchanapally village bears an annual assessment of Rupee 0-8-10, the compensation in this case amounting to Rupees 2-12-2 for five years from Fusly 1275, while in the case of Vaddeswaram acres 2·75 is a portion of dry Inam bearing an assessment of Rupees 4-2-0 per annum as per title-deed granted by the Inam Commissioner, the remaining acres 1·24 forms part of a garden containing fruit-trees, such as jack, plantains, limes, oranges, etc., bearing an annual assessment of Rupees 4-15-4 according to the average rates of the adjoining lands; thus the compensation payable in these two cases for similar period amounts to Rupees 45-6-8 at Rupees 9-1-4 per annum, aggregating in all Rupees 48-2-10 for both villages.

4. As regards the exchange of land for the Inams taken up for the Nizampatam channel in both villages, the Inamdar requested to grant her a portion of acres 11·1 out of D. No. 159, a porumboke called Dasumrazecoontah in the village of Ippatam in the same talook, measuring acres 57·38, assessed at 14 Annas an acre.

5. Tahsildar also supports the application, and recommends that the land selected may be granted in exchange, as acres 3·39½ of land was lately given to this Inamdar in exchange from the same number.

6. The assessment on the acres 11·1 of land now proposed to be given in lieu is Rupees 9-10-2, which is equal to that on the Inam land taken up for the Nizampatam channel.

7. I therefore request that you will be pleased to obtain sanction for the payment of compensation and the grant of land in exchange for the Inam lost as indicated above.
