No. 288. Read the following Proceedings of the Board of Revenue, dated 15th December 1869 :—

Read Government Order, dated 7th September 1869, No. 24.

THE foregoing Order gives cover to one from the Public Works Department, dated 1st September 1869, No. 2,850, which supports a suggestion of the Acting Superintending Engineer, 1st Division, for a loan of the estimated cost of certain bridges on Salt-road No. 2 from Nowpada, *via* Jagannadpore, to the Vizagapatam frontier, from the Road Fund of the district. The cost of the bridges is ascertained from the Government Order, Public Works Department, dated 26th July 1869, No. 2,445, to be Rupees 2,615.

2. The Board are willing that the loan should be granted, if this course is not inconsistent with the late Orders of the Supreme Government with respect to Madras. The work is important and funds are available.

3. If the loan is sanctioned, the Board request that the Government will be pleased to order the re-payment of the amount at the beginning of next year (1870-71).
