*Proceedings of the Madras Government, Revenue Department,
13th September 1870.*

No. 160. Read the following Proceedings of the Board of Revenue, dated 30th August 1870, No. 5,514:—

Read the following letter from the Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 28th July 1870, No. 3,527.

PONNAM VENKATADRY and four others of Gollapudy Village, in Bezwada Talook hold a puttah for demarcated Field No. 529, Acres 28-17 in extent, assessed at Rupees 28-11-0. It was sub-divided among them. In the year 1866 Venkatadry excavated a charitable tank in Acres 2-58, forming part of his holding, for the use of the village cattle, 1,200 in number, without the previous permission of the authorities. The proportionate assessment of the land occupied by the tank is Rupees 2-9-0. During the settlement of Fusly 1278 Venkatadry reported the construction of the tank to the then Head Assistant Collector, Mr. Stuart, who recommended that the assessment on this land might be struck off. Before the excavation of this tank the village cattle used to drink water in the Kistna River. This tank did not cut off the supply of any other public or private tank, nor did it interfere with the cultivation, drainage, or irrigation of any lands in its vicinity. I have, therefore, the honour to request the Board will be pleased to obtain the sanction of Government for striking off the accounts the assessment of this tank-land and for remitting the arrears due from Venkatadry from Fusly 1278.

SUBMITTED for the sanction of Government.

2. It is proposed to transfer to Poremboko Acres 2-58, assessed at Rupees 2-9-0, occupied by a tank which has been excavated for the use of the village cattle, and to remit the assessment due from Fusly 1278.

No. 161. ORDER THEREON, 13th September 1870, No. 1,444.
