*Proceedings of the Madras Government, Revenue Department,
16th September 1870.*

No. 203. Read the following Proceedings of the Board of Revenue, dated 7th September 1870 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, Madras, dated 25th August 1870, No. 153.

I HAVE the honour to request that the Government may be moved to re-appoint my Assistant Mr. E. N. Overbury to act as Head Assistant Collector of Salem, retrospectively, from the 9th of June last. Mr. Overbury was appointed to act as Head Assistant in Government Order, dated the 25th January 1870, on Mr. Sharp taking three months' leave. Mr. Sharp resumed his duties on the 7th June, but that officer, in Government Order of the 7th June 1870, having been appointed to act as Sub-Collector of Malabar, I desired Mr. Overbury to undertake the duties of Head Assistant, which he did on the 9th June. His deputation allowance was entered in the abstract from the above date, but the Accountant-General has, as will be seen from the enclosed extract of his Objection Statement, disallowed it for want of the formal re-appointment of Mr. Overbury in the *Fort Saint George Gazette* to act as Head Assistant.

SUBMITTED for the orders of Government.

No. 204. ORDER THEREON, 16th September 1870, No. 1,466.

Miscellaneous.

ORDERED accordingly that Mr. Overbury be appointed to act as Head Assistant to the Collector of Salem with retrospective effect from the 9th June 1870.

Proceedings of the Madras Government, Revenue Department,

21st September 1870.

No. 234. Read the following Proceedings of the Board of Revenue, dated 29th August 1870, No. 5,505 :—

Read the following letter from the Acting Collector of Tinnevely, to the Acting Secretary to the Board of Revenue, dated 13th July 1870, No. 324.

With reference to Board's Proceedings, No. 3,253, dated 13th May 1870, approving the list of works under "Petty Construction and Repair," and referring

to paragraph 5 of my report* on the salt roads of the district for 1869-70,

I have the honour to forward, herewith,

for sanction an estimate of Rupees

Do. a portion of the salt road between

4,500 for repairing the salt road at

of the Board for transferring the provi-

sion made in the current year for the

three items, as per margin, towards the

repair of the above road. The total of these three items, amounting to Rupees 1,500, *plus* the maintenance allowance of Rupees 1,000 for the road on account of the current year, making in all Rupees 2,500, would reduce the amount of the estimate from Rupees 4,500 to Rupees 2,000, to be sanctioned in the next year's Budget.

2. I also request sanction for a further transfer of Rupees 60 from the maintenance allowance of Rupees 200 for the salt road at Kuttanguli and Viziapati for building a temporary wooden platform bridge over the salt creek at the above pans, the want of which is very much felt; as also of Rupees 200, being the amount sanctioned for repairing the hedges round the platform and the pans at Tuticorin, to the repair of the hedges round the pans at Vipaur, the repair of which is very necessary.

3. The works, of which the allotments are now proposed to be transferred, can be conveniently deferred till next year.

ENCLOSURE No. 1.—Estimate.

THE Board consider that the repair of the salt road from Nallur to Coilpatam should be an Imperial charge. The estimate now received for this work at a cost of Rupees 4,500 is therefore submitted to Government for sanction, with reference to paragraph 2 of the Board's Proceedings, dated 29th July 1870, No. 5,104.

2. The other transfers proposed by the Collector in paragraph 2 of his letter and detailed below are sanctioned :—

From	RS.	To	RS.
Maintenance allowance for the salt road at Kuttanguli and Viziapati	200	Building a temporary wooden platform bridge over the salt creek at Kuttanguli and Viziapati pans	60

Approved by the Hon. Secretary, appointed to act as Head Assistant Collector of Salem with retrospective effect from the 1st June 1870.
