Proceedings of the Madras Government, Revenue Department,

21st September 1870.

No. 234. Read the following Proceedings of the Board of Revenue, dated 29th August 1870, No. 5,505 :—

Read the following letter from the Acting Collector of Tinnevely, to the Acting Secretary to the Board of Revenue, dated 13th July 1870, No. 324.

With reference to Board's Proceedings, No. 3,253, dated 13th May 1870, approving the list of works under "Petty Construction and Repair," and referring

* No. 286, dated 29th June 1870.

Constructing a new platform at Tuticorin	1,000
Do. a portion of the salt road between Viziapati and Kuttanguli ...	300
Repairing and improving the road around the salt-pans at Colipatam ...	200

to paragraph 5 of my report* on the salt roads of the district for 1869-70, I have the honour to forward, herewith, for sanction an estimate of Rupees 4,500 for repairing the salt road at Colipatam, and to request the orders of the Board for transferring the provision made in the current year for the three items, as per margin, towards the

repair of the above road. The total of these three items, amounting to Rupees 1,500, plus the maintenance allowance of Rupees 1,000 for the road on account of the current year, making in all Rupees 2,500, would reduce the amount of the estimate from Rupees 4,500 to Rupees 2,000, to be sanctioned in the next year's Budget.

2. I also request sanction for a further transfer of Rupees 60 from the maintenance allowance of Rupees 200 for the salt road at Kuttanguli and Viziapati for building a temporary wooden platform bridge over the salt creek at the above pans, the want of which is very much felt; as also of Rupees 200, being the amount sanctioned for repairing the hedges round the platform and the pans at Tuticorin, to the repair of the hedges round the pans at Vipaur, the repair of which is very necessary.

3. The works, of which the allotments are now proposed to be transferred, can be conveniently deferred till next year.

ENCLOSURE No. 1.—Estimate.

THE Board consider that the repair of the salt road from Nallur to Colipatam should be an Imperial charge. The estimate now received for this work at a cost of Rupees 4,500 is therefore submitted to Government for sanction, with reference to paragraph 2 of the Board's Proceedings, dated 29th July 1870, No. 5,104.

2. The other transfers proposed by the Collector in paragraph 2 of his letter and detailed below are sanctioned :—
