*Proceedings of the Madras Government, Revenue Department,
21st September 1870.*

No. 238. Read the following Proceedings of the Board of Revenue, dated 31st August 1870, No. 5,518:—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Tritrapundi, 30th July 1870, No. 249.

WITH reference to paragraph 5 of my letter, dated 30th November 1869, No. 247, printed in Government Order, 8th January 1870, No. 49, I have the honour to forward for the sanction of Government an estimate, amounting to Rupees 9,770, for improving 13 miles and 1,482 yards of road No. 15 between Combaconum and Needamangalum, so as to prepare it for metalling with laterite from Tanjore.

2. As the Board are fully aware of the importance of the whole of road No. 15 between Adrampatam and Combaconum, I need not touch on that point. The portion of this road between Needamangalum and Mannargudi has already been metalled, and the benefit that will ensue to the Railway Company and the community in general by metalling the portion between Combaconum and Needamangalum will be incalculable.

3. A separate estimate for metalling this piece of road will be prepared hereafter, as it will take some time before the work to be now executed becomes consolidated, and this it must become before the metal can be put on.

4. No portion of the present estimate is debitable to the Imperial Funds.

5. Provision will be made for it in the Supplemental Road Fund Budget for 1870-71.

ENCLOSURE No. 1.—Plan.

ENCLOSURE No. 2.—Estimate.

THE estimate, amounting to Rupees 9,770, for improving 13 miles and 1,482 yards of road No. 15 between Combaconum and Needamangalum, leaving the metalling work to be done hereafter, is submitted for the sanction of Government.

2. The estimate is made up of the following items:—		RS.
1. Earth-work	...	2,024
2. Sanding	...	6,799
3. Sectioning and spreading	...	249
4. Superintendence and Sundries	...	428
5. Cost of masonry works, etc.	...	270
Total		9,770

3. It is observed that no portion of the cost of masonry works is chargeable to Imperial Funds.

4. The Board note that the work is to be provided for in the current year's Supplemental Road Fund Budget, the submission of which the Collector is requested to expedite.
