*Proceedings of the Madras Government, Revenue Department,
23rd September 1870.*

No. 257. Read the following Proceedings of the Board of Revenue, dated 31st August 1870, No. 5,536:—

Read the following letter from the Acting Collector of North Arcot, to the Chief Secretary to Government, Fort Saint George, dated Punganoor, 1st August 1870, No. 49:—

It has been proposed by the Railway authorities to change the site of the level crossing at Arconum, as it is stated to be very inconvenient and even dangerous to the traffic passing it.

2. The proposed change of site involves the formation of a piece of new road which the Superintending Engineer informs me would cost about Rupees 2,000. I have the honour to request that Government will be pleased to authorize the Superintending Engineer to prepare the necessary plans and estimate for the construction of this road.

3. The sketch forwarded by the Railway authorities showing the present and proposed crossings, and the new road to be constructed, is enclosed for the inspection of Government.

FORWARDED to the Board of Revenue for report to the Revenue Department.

OOTACAMUND,
8th August 1870.

(Signed) R. S. ELLIS,
Chief Secretary.

ENCLOSURE No. 1.—Sketch.

THE Board consider the proposed change highly desirable, but they think that part of the cost, if not all, should be borne by the Railway Company.
