*Proceedings of the Madras Government, Revenue Department,
23rd September 1870.*

No. 259. Read the following Proceedings of the Board of Revenue, dated 22nd August 1870, No. 5,398 :—

Read again Board's Proceedings, dated 23rd January and 19th October 1869, Nos. 444 and 7,759.

Read also the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 27th July 1870, No. 269.

As DIRECTED in Board's Proceedings, dated 19th October 1869, No. 7,759, I have the honour to re-submit the plans and estimates for the wall sanctioned to be erected along the bazaar side of the Government yards at Cochin, and to request that the sanction of Government may be obtained thereto, in order that provision may be made for the work in the Public Works Budget of the next year.

2. The Municipal Commissioners of Cochin have again requested me to have the wall constructed, and it is most desirable that the work should be carried out as soon as possible, as the segregation of the sheds on the Government yards from the outside bazaar is a measure that cannot be postponed without serious danger from fire. (*Vide* Mr. Ballard's letter, recorded in Board's Proceedings, dated 23rd January 1869, No. 444).

ENCLOSURES Nos. 1 and 2.—Plans.

ENCLOSURE No. 3.—Estimate.

This estimate for building a wall on the bazaar side of certain yards belonging to Government on the river side at Cochin will be submitted for the orders of Government.

2. The wall is required to separate the sheds in the yards from the bazaars and buildings outside.

3. The cost of the work will be Rupees 2,550. The rent of the yards in 1868-69 was Rupees 2,140.

No. 260. ORDER THEREON, 23rd September 1870, No. 1,493.

Miscellaneous.

THE Board are requested to ascertain from the Collector whether the work could not be more cheaply performed by substituting "laterite-in-mud" for "laterite-in-chunam," and whether the former would not be sufficiently durable. The Collector should also report to what head in his Treasury accounts the rent collected for the yards in question is credited.
