*Proceedings of the Madras Government, Revenue Department,
24th September 1870.*

Read the following papers:—

No. 267. Proceedings of the Board of Revenue, dated 6th September 1870,
No. 5,616.

Read the following letter from the Officiating Collector of the Kistna District,
to the Acting Secretary to the Board of Revenue, dated Masulipatam,
5th August 1870, No. 3,630.

In their Proceedings, dated 11th January 1870, No. 175, the Board of Revenue sanctioned the payment of Rupees 2 a month for the building at Avinigadda, at present occupied by the Deputy Tahsildar and Sub-Magistrate's Office. The owner has now given us notice to quit as he is desirous of re-occupying his premises. The only other building suitable for the purpose in the village is a house belonging to the ex-Zemindar of Divi, for which he asks rent Rupees three (3) a month. I request sanction for this amount of rent.

2. The Sub-Magistrate reports that, unless the building is repaired, it cannot be used as an office, and the repairs are estimated at Rupees 80. I, therefore, propose that 80 Rupees may be paid to the Zemindar on the condition of his repairing the building and leaving it for an office, the monthly rent of Rupees 3 being deducted towards the discharge of those 80 Rupees.

Under the authority vested in them by Government Order dated 20th June 1863, No. 1,091, the Board sanction a monthly rent of Rupees 3 for the building proposed by the Collector to be occupied as a Cutcherry by the Deputy Tahsildar of Avinigadda.

2. With regard to the Collector's proposal to advance a sum of Rupees 80 to the owner of the building to enable him to execute certain repairs which are stated to be absolutely necessary before it can be occupied, the Board observe that there is no provision in the Budget to meet this unexpected outlay.

3. They, therefore, submit the matter for the orders of Government with a recommendation that an advance of Rupees 80 be sanctioned. This charge will be debited in the accounts to "Advances Recoverable" and adjusted by monthly deductions from the sanctioned rent. The whole amount will be adjusted in twenty-six months.

4. The Board have no expectation that the new Cutcherry sanctioned for the Sub-Magistrate at this station will be begun, or, if begun, finished within this period. It is only in such an event that there might be a difficulty in recovering a portion of the present advance.

REFERRED to the Accountant-General for his observations.
