*Proceedings of the Madras Government, Revenue Department,
27th September 1870.*

No. 272. Read the following Proceedings of the Board of Revenue, dated 22nd September 1870 :—

Read the following letter from the Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Madras, 9th September 1870, No. 30.

In reply to the Proceedings of the Board, under date 5th September 1870, I have the honour to report that the amount of permanent advance required to meet the contingent charges of the Madras District is Rupees 8,000, exclusive of the sum of Rupees 1,500 already allowed for the Sea Customs Department. Of the Rupees 8,000, Rupees 7,000 are required by the Deputy-Collector, and Rupees 1,000 by me as Collector of Madras.

2. I request that, if possible, orders and instructions may be given for the introduction of the pre-audit system on the 1st proximo.

3. With regard to the keeping of collections and disbursements of the Permanent Advance Fund of Rupees 1,000, I beg to refer the Board to the proposals made in paragraphs 3, 4, and 5, of my letter of July 2nd, 1870, No. 1.

SUBMITTED to Government, with reference to Government Order, 30th August 1870, No. 1,364, and with the Board's recommendation that a Permanent Advance Fund of Rupees 8,000 be sanctioned for the district of Madras, as proposed by the Collector.

2. The Board presume that it is the Collector's intention to meet the heavy disbursements on account of the purchase of Columbo Arrack and the like by separate bills passed on pre-audit and cashed at the Bank. The sum of Rupees 8,000 now applied for is obviously insufficient to meet such payments.

3. Every other description of charge will be paid in the first instance out of the Permanent Advance Fund, and bills for the same submitted as often as may be found necessary.

4. All collections on account of Income-tax and on account of fees and fines on Stamps will, as proposed by the Collector, be received at the Customs Treasury, and thence remitted to the Bank.

5. The portion of the Permanent Advance Fund, proposed to be retained by the Collector, viz., Rupees 1,000, will also be in the custody of, and accounted for, by the Custom Cash-keeper.

6. The Board believe that under the pre-audit system the monthly Treasury Account will exhibit no disbursements.

7. Unless the Government Order on these Proceedings is received before the 1st October, the introduction of the pre-audit system must be deferred till the 1st November.

*Proceedings of the Madras Government, Revenue Department,
