*Proceedings of the Madras Government Revenue Department,

No. 16. Read the following Proceedings of the Board of Revenue, dated 10th September 1870, No. 5,676:—

Read the following Proceedings of the Madras Government, dated 26th July 1870, No. 1,119, Revenue Department:—

ABSTRACT.—*Huts for the Land Customs Police in Tanjore.*—Board of Revenue requested to report how they propose to provide funds for them.

From the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Tritrapundi, 9th August 1870, No. 265.

I HAVE the honour to refer for the orders of the Board the accompanying letter, with its enclosure, from the Superintending Engineer, dated 2nd August 1870, No. 313, (to be returned).

2. The Superintending Engineer requests me to provide the amount of the estimate, viz., Rupees 3,220, for the erection of the Police huts along the Karical frontier, sanctioned in Government Order, dated 30th June 1870, No. 1,004.

3. In the Board's Standing Order No. XXVII. of 1868, paragraph 4, it is laid down that large works, the cost of which may exceed Rupees 1,000, and which cannot be executed without the agency of the Professional Department, should be included in the Budget submitted by the Superintending Engineer to Government.

4. In the present case, the Government having ordered that the work should be carried out from other than Public Works Funds, I have the honour to state that no funds are available from the current year's allotment made to this district, under "petty construction and repair," and that the amount of the estimate will be provided in the outgoing list under that head for 1871-72.

ENCLOSURE No. 1.

From the Superintending Engineer, 6th Division, to the Collector of Tanjore, dated 2nd August 1870, No. 313.

WITH reference to your Memorandum, No. 34, of the 30th ultimo, I have the honour to forward, for your information, copy of Government Order, No. 1,710, of the 16th idem, and to request you will be good enough to have the amount of the estimate, viz., Rupees 3,220, placed at the disposal of this department, if you wish this department to undertake the erection of the huts and if the Board's Proceedings* quoted (with a copy of which this office has not been furnished) does not specify any particular department to execute work for which funds are provided in the Revenue Department.

2. If this department is to execute the work, I beg that a list, showing the names of the limits on which the huts are to be erected may be furnished, and the sites made over.

ENCLOSURE No. 2.—G. O., 16th July 1870, No. 1,710, P. W. D.

THE Government will observe from the Collector's letter above recorded that no funds will be available in the current year 1870-71 for the construction of the huts for the Police Constables proposed to be stationed round the Karical frontier.

*Proceedings of the Madras Government, Revenue Department,
5th October 1870.*

2. The Collector proposes making a provision for this purpose in his Budget of 1871-72, and till then, the work must stand over, unless the Government are able to provide funds from other sources.
