*Proceedings of the Madras Government, Revenue Department, 5th October 1870.*

No. 20. Read the following letter from the Officiating Accountant-General, Madras, to the Acting Secretary to Government, Revenue Department, dated Fort Saint George, 1st October 1870, No. 193 :—

I HAVE the honour to submit the following case for the consideration of His Excellency the Governor in Council :—

P. L. Nursimha Row, Sub-Magistrate at Aska, Ganjam District, was appointed Tahsildar of Nundigama Taluq in the Kistna District, and by a route, partly by sea and partly by road, which he should have taken as being the shortest, was due at Nundigama on the 16th March, forenoon. He, however, did not join there until 26th March, forenoon; and to a request made by this department for explanation of the delay, states that his two servants (a Brahmin cook and a Sudra servant) refused to accompany him if he performed his journey by sea; that he failed in his attempts to procure the services of others willing to go with him by steamer; and that, having to land at three different ports for the purpose of taking meals, he could not have dispensed with servants, and was therefore compelled to travel by land.

P. L. Nursimha Row's proceedings being contrary to established rule, he has become liable to forfeiture of full pay for the period by which he has exceeded his joining time; but before issuing a retrenchment, I beg to submit the case for the special orders of Government.

No. 21. ORDER THEREON, 5th October 1870, No. 1,511.

Miscellaneous.

THE Government are of opinion that Native Officers cannot be required to travel by sea, if unwilling to do so. P. L. Nursimha Row must accordingly be allowed the usual joining time for a *land* journey from Aska to his new appointment in the Nundigama Taluq of the Kistna District.
