THE CHIEF COMMISSIONER OF MYSORE.

Forests, No. 2.

SIR,—In reply to your Officiating Secretary's letter, dated 22nd August 1870, No. 180-F, I am directed to state that His Excellency the Governor in Council is fully prepared to adopt the scheme formed by Major Beddome and Lieutenant vanSomeren, as approved by you, for the sale of Wynaad timber at a separate depôt in Mysore as an experimental measure. Major Beddome will therefore be requested to place himself in communication with the Mysore District authorities with a view to obtaining a site for the depôt.

2. As soon as the depôt is established at Mysore, Major Beddome will be directed to close that at Autersanti, to discontinue the sale on behalf of this Government of Wynaad timber at any other place within the Astragram Division than Mysore, and to see that all Wynaad timber sent for sale at the Mysore depôt is stamped and covered by a Pass.

3. In regard to the remarks embodied in paragraphs 4—13 of Lieutenant vanSomeren's letter forwarded by you, I am directed by the Government to express their regret that the young officer in charge of the Wynaad Range should have made so mistaken an assertion as to the cause of the detention of timber in the Mysore territory.

4. In conclusion, I am directed by His Excellency the Governor in Council to tender his thanks to you for the action taken in the matter by the Mysore Government.

I have the honour to be,
Sir,
Your most obedient Servant.
