Poliput pension:	Dhully in Oodamalpattah Taluk.	Ruppes 7-2-6 per mensem, or Ruppes 85-14-0 per annum, payable in cash.	Sanctioned by Government on the 10th April 1827.	None.	In lieu of Poliput resumed.	Tappammaul.	Mootoomara Naicken, great grandson of the original grantee, died on the 8th March 1870.	The whole allowance, i.e., Ruppes 85-14-0, was enjoyed by the deceased.	Peddammaul, the step-mother of the deceased; Vencatammaul, mother of the deceased; Vellammaul, widow of the deceased; one female child a month and-a-half old.	Has no other means of subsistence besides the pension.	Recommended that the whole pension be continued in the name of Vellammaul, as she and the other members of the family are dependant upon the pension.	In the Proceedings of Government, dated 16th November 1865, No. 2,813, embodied in the Board's Proceedings of the 2nd December 1865, No. 7,710, it was inquired whether the pension could not be commuted into a grant of land. On inquiry it appears that neither in Dhully nor in any of the adjacent villages is there cultivable Government waste land available.

SUBMITTED for the orders of Government.

2. In their Proceedings, dated 31st October 1865, No. 6,993, the Board reported on two lapses of Poligar pensions, namely:—

I.—An allowance of Rupees 85-14-0 per annum held by the grandson of the Dhully Poligar *de jure*.

II.—A stipend of Rupees 480 per annum held by the nephew of the Dhully Poligar *de facto*.

3. After giving a full history of the origin and nature of the grants, the Board observed with regard to Poligar pensions, that though in many cases allowances had been continued undiminished, in others a different course had been pursued, and that they were therefore in doubt as to the mode in which the lapses then in question should be treated.

4. Government, in sanctioning the continuance of these pensions, in the first case to Mootoomara Naicken, and in the second to his brother, Comarandy Naicken, adopted son of the Dhully Poligar *de facto*, desired that an arrangement should be made "for the commutation of the whole into a single grant of land bearing an equivalent annual assessment, to be registered in the joint names of the two brothers for the support of the family, the elder brother being recognized as the representative"—(*Vide* Government Order, dated 16th November 1865, No. 2,813).

5. As there was no land available, this arrangement was never effected—(*Vide* Government Order, dated 6th May 1867, No. 1,021).

6. The Collector in now reporting the death of Mootoomara Naicken without male issue, recommends that the full amount of the pension be continued to Vellammaul, widow of the deceased, for the support of the family (all females), as they have no other means of subsistence.

7. The Board support the Collector's recommendation.
