Proceedings of the Madras Government, Revenue Department, 12th October 1870.

No. 103. Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 15th September 1870, No. 2,357-62:—

SINCE replying to the Proceedings of Government, No. 431, of the 1st April 1870, in my letter of the 29th June, No. 1,674-42, it has struck me that some specimens of the topographical or supplementary survey, performed by this department, might afford more satisfactory information to the Government of India than any verbal description.

2. I have the honour therefore now to submit some maps and portions of maps, both lithographed and manuscript, of topographical surveys in Nellore, Coimbatore, Tinnevelly, and the Neilgherry Hills, accompanied by an explanatory memorandum.

Memorandum to accompany Maps submitted with letter from the Superintendent of Revenue Survey, dated 15th September 1870, *No.* 2,357-62.

I. Lithographed map of the Kavali Taluq, Nellore District, scale one inch to a mile, to illustrate the appearance of taluq maps before the operations of the supplementary topographical survey (2 sections, 2 copies).

II. Lithographed map of the same taluq complete. The limits of tracts excluded from Revenue Survey are marked by a ribbon of colour (2 sections, 2 copies).

III. Manuscript map of one excluded Zemindari "Tellapadu" in the Kavali Taluq on original scale of survey 4 inches to a mile.

IV. Manuscript map of one excluded Zemindari "Singampatti" in the Ambasamudram Taluq, Tinnevelly District, on original scale of survey 4 inches to a mile.
