Proceedings of the Madras Government, Revenue Department, 13th October 1870.

Read the following:—

No. 116. Proceedings of the Board of Revenue, dated 21st September 1870, No. 5,815.

Read again Board's Proceedings, 12th April 1870, No. 2,458.

Read also the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 6th September 1870, No. 315.

In the Proceedings of the Board, No. 2,458, dated 12th April last, sanction was given to the renting out of the travellers' bungalow at Anantapur to the Supervisor in charge of the range. That officer has now vacated it, and no one wishes to rent the building.

2. I applied to the Superintending Engineer to know if he would take it at a valuation. He replies that he would be glad of the building as an Overseer's residence and store-shed, and that he would agree to the condition that a room should be always available to district departmental officers when on tour; but he is not prepared to pay for it, as no provision has been made for such a purpose in the Budget.

3. I then considered the feasibility of using the building as a dispensary, the present dispensary (for out-patients only) being at the other end of the town in the Police hospital. As, however, this scheme would necessitate the employment of another Dresser, it was abandoned.

I have therefore the honour to request instructions as to the disposal of the building.

Submitted for the orders of Government.

2. In accordance with the views expressed in Government Order, 30th August 1870, No. 1,360, the Board presume that Government will sanction the acceptance of the offer of the Superintending Engineer.

No. 117. Proceedings of the Board of Revenue, dated 1st October 1870.

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Ramandrug, 20th September 1870, No. 327.

With reference to my letter, No. 315, dated the 6th instant, asking for orders regarding the Anantapur travellers' bungalow, I have the honour to inform you that the Assistant Superintendent of Police, Mr. Goodrich, now applies for the building on rent.

I therefore beg to recommend that it be rented to him for 15 Rupees per mensem.

The Collector's proposal is approved.

2. These Proceedings will be submitted to Government. No orders are now required on Board's Proceedings, 21st September 1870, No. 5,815.

No. 2,458.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th April 1870.

Read the following letter from J. H. MASTER, Esq., Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Tekkalacota, Bellary Talook, 19th March 1870, No. 77:—

WITH reference to the Proceedings of the Board, No. 429, dated 21st January 1870, requiring me to report on the disposal of the Travellers' Bungalows given up, I have the honour to state that as regards the Bungalow at Tadpatri, it has already been given over to the Department of Public Works in accordance with Government Order, No. 17, dated 6th January 1870, communicated with your docket of the 15th idem.

2. That at Rayachervoo is used as the office of the Deputy-Tahsildar and Sub-Magistrate, and has been so occupied for some time.

3. The Assistant-Superintendent of Police now declines to rent the Bungalow at Anantapore. An application has been received from the Supervisor in charge of the Range to rent it at 15 Rupees a month, and I beg to recommend that he be allowed to occupy it on those terms.

4. The Pennakonda Bungalow should be set aside for the residence of the Head-Assistant-Collector, and I recommend that he should pay the same amount as rent.

5. The Superintending Engineer has applied to have the Bungalow at Hirrahal made over to his Department for use as the office of the Raidrug Range, and those at Maroor, Chennacotta-pully, Palsamudrum, and Garladinna as store-sheds, as he has no buildings in those parts in which to place tools and stores. I beg to recommend that they be transferred to his department on the understanding that a room be always reserved for the accommodation of the District Departmental Officers.

THE Collector's proposals are approved.

(A true Copy and Extract.)
