*Proceedings of the Madras Government, Revenue Department,
13th October 1870.*

No. 123. Read the following Proceedings of the Board of Revenue, dated 9th September 1870, No. 5,666 :—

Read the following letter from the Officiating Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 29th August 1870, No. 2,226.

I HAVE the honour to submit copy of a letter, No. 436, dated 23rd instant, from the Officiating Sub-Collector, applying for permission to dispose of the building recently used as the Sub-Collector's Cutcherry at Ramapatam.

2. It will be observed from paragraphs 2 and 3 of letter No. 1,156 of 23rd April 1868, from Mr. Boswell, late Acting Collector of this district, that the building does not belong to Government, but that it was originally built for an office by a former Sub-Collector at his own cost, and subsequently converted into a school, towards the repairs of which a Government grant-in-aid of Rupees 220 was made in 1857.

3. I would therefore support Mr. Hughesdon's recommendation that the building be put up to auction at the upset price of Rupees 50, and the proceeds appropriated to the Kavali Bungalow.

ENCLOSURE No. 1.

From the Officiating Sub-Collector, to the Officiating Collector of Nellore, dated Ongole, 23rd August 1870, No. 436.

I HAVE the honour to inform you that the Reverend Mr. Timpany of the American Baptist Mission, Ramapatam, has expressed his wish to purchase the building which, for the last two or three years, has been used as the Sub-Collector's Cutcherry at Ramapatam. He wishes to use the materials for building purposes, and would not buy the site; indeed, the site is worth nothing. I think advantage should be taken of his offer, and the building be put up to auction. It cannot be used as an office again. The walls are in an unsound condition, and the rain comes through the roof; the doors are still standing, but the window shutters disappeared long ago, and as long as I have known the building, their place has been supplied by branches of trees and palmyra leaves. The building, I believe, never cost Government anything, having been constructed by subscription as a school-house. As it had been abandoned, Mr. Burnell, when Sub-Collector, appropriated it as his office. As Government thus appears to have no claim to the building, there would perhaps be no objection to the proceeds being appropriated to the Kavali Public Bungalow, which I know is much needed, but seems to progress very slowly towards completion. Perhaps Rupees 50 might be obtained or even more.

SUBMITTED for the sanction of Government.
