*Proceedings of the Madras Government, Revenue Department,
14th October 1870.*

No. 133. Read the following Proceedings of the Board of Revenue, dated 23rd September 1870, No. 5,854 :—

Read the following letter from the Acting Sub-Collector, in charge of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 2nd September 1870, No. 260.

I HAVE the honour to forward, for the favourable consideration and orders of the Board, copy of a letter addressed to me by P. Chentsal Row, Deputy-Collector, regarding his batta and mileage for distances actually travelled.

ENCLOSURE No. 1.

From P. CHIENTSAL ROW, Deputy-Collector, to the Acting Sub-Collector, in charge of the Godavery District, dated Cocanada, 2nd September 1870.

In the Inam Commission I was allowed, while employed in the districts, a batta of Rupees 3 per diem, *plus* a mileage of 4 Annas a mile for distances actually travelled, but the Treasury Deputy-Collector of this district considers that, as my services are now placed at the disposal of the Collector, I can only draw, under the rules applicable to the Revenue Department, one or the other of the two allowances, but not both. As the duties I am now called upon to perform are the same as those rendered by me in the Inam Commission, and as I have to constantly travel about the district, I request that you will be pleased to obtain the sanction of the Board for my mileage, as well as batta being passed, for the whole time I am employed on Inam duty.

SUBMITTED for the favourable consideration and orders of Government, as the ordinary rules do not meet this case.

2. P. Chentsal Row has been deputed on special duty away from his own district and from a post to which additional emoluments are attached. His work in the Godavery District will, moreover, necessitate constant travelling.

3. The Board therefore recommend that he be authorized to draw batta as well as mileage for distances actually travelled, during the period of his employment on special duty.

No. 134. ORDER THEREON, 14th October 1870, No. 1,565.

Miscellaneous.

THE payment of both batta and mileage for distances actually travelled to P. Chentsal Row is sanctioned as a special case.
