No. 135. Read the following Proceedings of the Board of Revenue, dated 14th September 1870, No. 5,724 :—
Read the following paper from the Collector of South Arcot, to the Acting Secretary, to the Board of Revenue, dated Cuddalore, 9th August 1870, No. 200.

Statement showing the amount due to the under-mentioned Dittamaniendars in the district of South Arcot, submitted for the sanction of the Board of Revenue.

Number in the Register.	Name.	Amount of pension per annum.	Date of Government Order.	Nature of the grant.	Period for which arrears are due.	Total amount of arrears.	Explanation of the cause of suspension of payment.
1	2	3	4	5	6	7	8
30	Ramasami Iyer, aged 54.	Rs. A. P. 8 15 4	31st January 1842.	For subsistence.	From 1st January 1868 to 31st December 1869.	Rs. A. P. 17 14 8	This is dittamaniem allowance payable annually from the treasury. The incumbent had failed to attend in person and draw the allowance due to him for two years. On inquiry he urges that he had been prevented by severe sickness from appearing in person to draw the allowance. The Collector, therefore, requests that sanction of Government may be obtained for its continuance, and for the payment of the arrears, amounting to Rupees 17-14-8, due to Ramasami Iyer. The appearance of the claimant corresponds with his description in the Office Register.

SUBMITTED for the orders of Government.
2. The Board support the Collector's recommendation.

THE BOARD OF REVENUE.

REVENUE.

Govt. of 1870: 373015.

No. 5,814.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th September 1870.

Read the following letter from G. LEE-MORRIS, Esq., Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Vallam, 13th September 1870, No. 302:—

I HAVE the honour to submit, for the sanction of the Board and Government, an estimate, amounting to Rupees 48,000, for metalling road No. 17 from Kodavasal to the Railway station at Kordacheri.

2. The Board will see that as usual the bulk of the estimate, viz., Rupees 40,823, is on account of the gravel to be dug at Tanjore and the Railway charges for conveying it from there to Kordacheri.

3. The Superintending Engineer requests that a sum of Rupees 24,000 may be allotted from the Road Fund Reserve for the current year's expenditure, the remainder being included in the Budget for 1871-72 to be submitted shortly.

4. I enclose the Superintending Engineer's letter on the subject for the Board's perusal.

ENCLOSURE No. 1.

From Captain R. F. OAKES, R.E., Superintending Engineer, 6th Division, to the Collector of Tanjore, dated 31st August 1870, No. 461.

I HAVE the honour to inform you that the work sanctioned in the Board's Proceedings, No. 7,062, for preparing Road No. 17 from Kordacheri to Kodavasal for metalling is nearly completed, and it is proposed to commence the metalling immediately after the close of the north-east monsoon.

2. An estimate of Rupees 48,000 for metalling the road is enclosed. It includes an item of Rupees 2,000 for providing buttress wing-walls for such tunnels as require them, (these wings are necessary to protect the side slopes of the road-embankment adjacent to the masonry works,) for plastering four bridges and thirty-four tunnels, and for supplying guard stones where they are required. An abstract showing the sum required for each tunnel is enclosed. No portion of the estimate should be provided from Imperial Funds under Government Order No. 1,378, dated 27th April 1869.

3. The total length of road to be metalled is 7 miles and 146 yards, and a width of 5 yards is to be metalled with 9 inches of the Tanjore gravel.

4. Early sanction to the estimate is requested, as nearly half the gravel must be collected and stored at the Railway station before trains can be run to Kordacheri.

5. There is at present a balance of Rupees 71,671 from the Road-cess unappropriated; from this a sum of Rupees 24,000, the probable expenditure in metalling road No. 17 in 1870-71, may be provided. The balance of the estimate will be included in the Budget of 1871-72.

(True Copy.)

(Signed) G. LEE-MORRIS,
Collector.

ENCLOSURES Nos. 2 to 4.—Estimates.

THE estimate, amounting to Rupees 48,000, for metalling, etc., the road No. 17 (length 7 miles and 146 yards) from Kodavasal to the Railway station at Kordacheri is submitted for the sanction of Government.

2. The estimate is made up of the following items:—

	RS.
1. Cost of metal, inclusive of Railway charges	40,823
2. Spreading, rolling, and stamping	2,922
3. Sectioning	748
4. Masonry works	2,000
5. Sundries	1,507
	48,000

3. It will be observed that the bulk of the estimate, viz., Rupees 40,823, is for gravel, inclusive of the Railway charges.
4. The Superintending Engineer states that no portion of the estimated cost is chargeable to Imperial funds.
5. An estimate, amounting to Rupees 6,380, for raising and widening the road in question was sanctioned in Government Order, Revenue Department, dated 24th October 1868, No. 2,710.
6. On the receipt of the sanction of Government to the present estimate the Board will allot the requisite funds.

(True Copies and Extract).

J. G. M.
Acting Secretary.

To the Acting Secretary to Government, Revenue Department,
with an estimate.

- „ to the Collector of Tanjore.
- „ to the Superintending Engineer, 6th Division.
- „ to the Controller of Public Works Accounts.
